

Graduate Medical Education

Residency Application Process

1. Applications should be submitted for the PGYI level for the 2018- 2019 academic year.

2. Available positions:

1. Anesthesia (categorical track)*
2. Dermatology categorical (first year spent as rotating PGYI in Internal Medicine)
3. Diagnostic Imaging categorical track (first year spent as rotating PGYI in the departments of Internal Medicine and General Surgery)
4. Emergency Medicine (categorical track) *
5. Otolaryngology-Head and Neck Surgery (categorical track) *
6. Family Medicine (categorical track) *
7. General Surgery (categorical & preliminary tracks)*
8. Internal Medicine (categorical & preliminary tracks)*
9. Neurology categorical (with first year spent as rotating PGYI in the department of Internal Medicine)
10. Neurosurgery categorical (with first year spent as rotating PGYI in General Surgery)
11. Obstetrics & Gynecology (categorical track)*
12. Ophthalmology categorical(with first year spent as Rotating PGYI in the departments of Internal Medicine, Surgery and Pediatrics)
13. Orthopedics categorical(with first year spent as rotating PGYI in General Surgery)
14. Pathology
15. Pediatrics (categorical track) *
16. Psychiatry (categorical track-first year spent rotating PGYI in Internal Medicine)
17. Urology categorical (with first year spent as rotating PGYI in General Surgery)

*Categorical track leads to certification in the chosen specialty where the length of training depends on the specialty.

*Preliminary track and rotating year is a one year track that doesn't lead to certification in the specialty. It is designed to provide a clinical training experience that will serve as knowledge and skill base for applicants seeking to continue their training in other specialties that require previous graduate medical education such as Dermatology, Neurology, Ophthalmology, Psychiatry, General Surgery, Neurosurgery, Orthopedic Surgery and Urology.

Graduate Medical Education
