CURRENT RESEARCH PROJECTS (PRINCIPAL INVESTIGATOR):

- What are the qualities, skills and competencies needed to be a successful program director? Poster presentation during the OTTAWA-ICME conference, Abu Dhabi, United Arab Emirates, March 10-14, 2018.
- Are extended checklists more associated with global ratings than binary ones in assessing clinical performance during OSCE stations?
- Assessing "EPA 6: Provide an oral presentation of a clinical encounter" during an OSCE station of the surgery clerkship.
